

**OLDHAM COUNTY BOARD OF EDUCATION  
ADMINISTRATIVE REGULATION 9005.011-F**

**KINDERGARTEN PROGRAM SELECTION AND FEE AGREEMENT**

*Relates to: Board Policy 9005.01*

Our elementary School offers both a full-day and a half-day Kindergarten program for our incoming five-year-old students. Parents may choose between the optional full-day program or the standard half-day program for their child. We strongly recommend the full-day program so that your child will benefit fully from all the learning opportunities available in the Oldham County Schools. All children attending the half-day program will be provided transportation home at the end of the half-day program.

Because the Kentucky Department of Education provides funding for the mandatory half-day program only, the Oldham County Board of Education requires a one-time fee of \$350 to defray a portion of the additional \$3,260 per year it costs to educate a student the remaining half-day. This amount helps to meet additional costs for classroom aides, supplies and materials. The half-day program is provided at no cost to parents. You may apply for an exemption from the \$350 fee based on income.

**Please select the Kindergarten program choice for your child:**
